INDUCTION PROGRAMME

Williams International College held an induction program on August 12, 2024, for first-year BBA, BCA, and B. Com students. Prof. Dorothy Manjula, HOD of the BCA department, warmly welcomed the new students and guests Dr Sridhar D Principal Williams International College, Prof. Shabeena J.K. Vice Principal, HODs of the B. Com and BBA departments.

The program provided a comprehensive overview of the college. Students were introduced to the institution's vision, mission, and values, gaining a clear understanding of its goals and aspirations. Details about the dedicated faculty were shared, along with department-wise information, to familiarize students with their instructors' expertise.

Academic excellence was a key focus, with the college showcasing its strong track record through the previous year's results. Beyond academics, a vibrant extracurricular scene was presented, highlighting annual sports events, a week-long NSS camp promoting social responsibility, ongoing NSS activities, and exciting fests like IT Fest, Management Fest, Commerce Fest, and Art & Literary Fest.

During his address, Dr Sridhar D outlined the essential college rules and regulations. He also provided detailed information regarding examination procedures and guidelines.

The induction program concluded with a vote of thanks graciously offered by Mr. Imran Khan Mirgi. Following the vote of thanks, refreshments were served to all attendees.

Youth Red Cross Wing

The Youth Red Cross unit of our college has always played an active role in spreading medical and health consciousness among our students and the general public. The unit conducts a mega blood donation campaign every year to repeat its primary belief that donating blood is equal to giving life. The YRC also conducts crash courses in first aid for the benefit of our students as well as the staff. It conducts periodical medical check-up for staff and students.

INDUSTRIAL VISIT

The Industrial Visit is a part of Curriculum for UG and PG students. Whatever is taught in the class room theoretically will be exposed practically to the students during this visit. The industrial visits happen during the month of September. The students are accompanied by faculty during such visits.
