(Affiliated to Bengaluru City University & Recognized by Govt. of Karnataka & AICTE)
(#163,1st Main,5th Cross, Bhuvaneshwari Nagar, Sultanpalya Main Road, R.T Nagar Post,Bangalore-32)

Ref: WIC/RWH/2024-25

Date: 14/08/2024

RAIN WATER HARVESTING

Williams International College may implement rainwater harvesting as part of its sustainability efforts. This could involve collecting rainwater from rooftops and directing it to storage tanks for later use in irrigation, toilet flushing, or other non-potable needs.
