## **FIRST AID, MEDICAL AND COUNSELING FACILITIES**

### **First Aid:**

Williams International College prioritizes student safety and well-being by providing a well-equipped first aid center on campus. This facility is staffed with trained personnel who can administer immediate medical attention in case of minor injuries or health emergencies.

### **Student Counseling:**

Recognizing the importance of mental and emotional well-being, Williams International College offers dedicated student counseling services. Qualified counselors provide a safe and confidential space for students to address academic, personal, and social challenges. These services aim to support students' overall mental health and academic success.

### **Medical**

Williams International College provides access to medical services to ensure the well-being of its students. This may include arrangements with nearby clinics or hospitals, a designated health center on campus, or a visiting medical professional. These arrangements aim to address students' immediate medical needs and promote a healthy learning environment.
